Your right to claim under this policy for the benefits covered is in addition to other rights and remedies you have under the law in relation to your vehicle. 		See page	
How we calculate your premium (continued)	Pricing factors Your premium is based on a number of pricing factors including the key factors set out in the table below. This table also shows the impact these factors may have on your premium. Please note that the factors identified below are significant factors only and we may take other factors into account to provide an indication of the possibility of a claim being made and the cost of claims. The way in which different factors impact your premium may change from time to time.	–	
	Key pricing factors	Premium impact	
	The cover option you choose	The premium is highest for the cover option that provides the highest benefits and is lower for cover options which have lesser benefits. This is because for lower cover options you are covered for a shorter period of time and for less driving distance.	–

Your privacy

As part of your dealings with Toyota Insurance we collect personal information (including sensitive information such as health information) about you (**'Your Information'**). Wherever possible we will collect Your Information directly from you. However, there may be occasions when we collect Your Information from someone else.

We value your privacy and will only use Your Information for the purposes for which it was collected, other related purposes notified to you and as permitted or required by law. You may choose not to give us Your Information, but this may affect our ability to provide you with our products or services.

We may share Your Information with our related entities and third parties who provide services to us or on our behalf or with other entities for purposes for which it was collected. Some of these entities may be located outside of Australia.

For more details on how we collect, store, use and disclose Your Information please read our privacy policy (**'Policy'**) located at toyotainsurance.com.au or contact us at insurance@toyota.com.au or 137 200 to request a copy of the Policy be sent to you. We encourage you to obtain a copy of the Policy and read it carefully.

By applying for, using or renewing any of our products or services or providing us with Your Information, you agree to Your Information being collected, held, used and disclosed as set out in the Policy.

The Policy also contains information about how you can access and seek correction of Your Information, make a complaint about a breach of the privacy law and how we will deal with such a complaint.

Your promise to us

When we agree to insure you or vary your policy, or pay your claim, our decision relies on the accuracy of the information you give us. You must provide honest, correct and complete answers to the questions we ask you.

It is important that you tell us immediately of any changes that have occurred since your policy started, and if any of the information shown on your policy schedule or any other notices you may receive from us from time to time is incorrect or incomplete or requires updating.

If the information you provide us is not honest, correct and complete, we may reduce or deny any claim you make, cancel your policy or treat your policy as if it never existed.

Vehicle servicing requirements

The vehicle must be maintained by regular servicing and maintenance (including fluid and lubricant levels) in accordance with the manufacturer's recommendations. Details of these recommendations are contained in the owner's documentation. All servicing must be performed by a licensed motor vehicle repairer. If you fail to do this we may refuse or reduce any claim you make and/or cancel this policy.

We recommend you have your vehicle serviced by the Selling Dealer or an Authorised Toyota Dealer. You should keep evidence of how and where your vehicle has been serviced by ensuring the service maintenance coupons contained in your owner's documentation are completed, as it will help to minimise any delay in processing any claim you may make.

How to tell us when you are not satisfied, for any reason

We're committed to providing you with the highest standard of service. However occasionally there may be some aspect of our service, the cover provided under your policy or a decision we have made that you wish to query or draw to our attention.

If you are unhappy with the outcome of any dealings with us we will do our best to work with you to resolve it using the following process:

Step 1. Talk to us first

In the first instance we encourage you to discuss the matter with the staff member who provided your initial service by calling 1300 658 027. Most times they will be able to resolve the matter to your satisfaction. If the staff member is unable to resolve your concern, they will refer you to their manager or senior staff member (who can also be contacted on the above number). If you are not satisfied with their response, you can proceed to Step 2 – Request a review.

Step 2. Request a review

If your concern remains unresolved by the manager or senior staff member, they will refer the matter to our Internal Dispute Resolution Department (IDR). Our IDR has the full authority to act independently in dealing with your dispute and will ensure your concern is referred to the appropriate person and receives prompt attention.

The designated IDR specialist will respond to you within 5 business days of you notifying us of your concern. You will be contacted with our final decision within 15 business days.

If you remain unsatisfied with the decision from our IDR specialist, you can proceed to Step 3 – Seek an external review of your dispute.

Step 3. Seek an external review of your dispute

If you have followed Steps 1 and 2 above and we have still failed to satisfactorily deal with your concern or we have taken more than 15 days to respond, you can appeal to the Financial Ombudsman Service (FOS).

The FOS is an independent, external dispute resolution scheme and there is no charge for this service.

Financial Claims Scheme

This policy may be a 'protected policy' for the purposes of the Federal Government's Financial Claims Scheme (FCS). The FCS is administered by the Australian Prudential Regulation Authority (APRA). We are authorised by APRA.

In the unlikely event of an insurer authorised by APRA, such as us, becoming insolvent, the Federal Treasurer may make a declaration that the FCS applies to that insurer. If the FCS applies, as a policyholder, you may be entitled to have valid claims paid under the FCS. Access to the FCS is subject to eligibility criteria.

Information about the scheme can be obtained from the APRA website at apra.gov.au and the APRA hotline on 1300 558 849.

Claim payment examples

The following are examples of how we pay a claim under your policy and are not terms or conditions of the policy wording. They are examples only and individual claim settlement will depend on the facts and circumstances of each case.

Terms and conditions apply in regard to individual claims payments. Please read this Policy and Product Disclosure Statement (PDS) for full details of what we cover, as well as what policy limits and exclusions apply.

1. Cover option 3 (36 months to maximum 100,000km)

A claim for repair and replacement of vehicle components (including a claim for towing and hire car expenses).

You have cover under option 3, which you purchased when your vehicle was 23 months old.

Two years have elapsed since you purchased your vehicle and you are now 11 months outside the manufacturer's new vehicle warranty end date. You have driven 90,000km when your vehicle's gearbox bearing fails prematurely. You are 300km from home when this occurs.

As your vehicle cannot be driven, it is towed to the nearest Authorised Toyota Dealer at a cost of \$200. Consequently you also need a hire car to return to your home which costs \$77. You contact the Administrator to lodge a claim under your Toyota Insurance Extended Warranty policy and the Dealer advises the Administrator that your vehicle has been towed and you have incurred hire car expenses of \$77 which are to be reimbursed to you.

The repairs are assessed and authorised by the Administrator at a total cost of \$5,500. The local Dealer undertakes these repairs.

We will pay the following	Amount
Cost to repair your vehicle (we will pay this to your local Dealer)	\$5,500
PLUS	
Hire car expenses (we will pay this to you)	\$77
PLUS	
Towing expenses (we will pay the towing company)	\$200

In Example 1 our payment is based on the following policy provisions – refer to the relevant section of this PDS for details:

- 1) When you are covered (see page 16)
- 2) What is covered (see page 17)
- 3) What we will pay (see page 18)
- 4) Additional Benefits – 1. Towing expenses and 3. Hire car expenses (see pages 19 & 20)
- 5) You do not have an ITC entitlement on the item being claimed. Refer to GST and Input Tax Credits (see page 29)

2. Cover option 1 (12 months to maximum 100,000km)

A claim for the replacement of vehicle components.

You choose cover under option 1, which you purchased at the point of vehicle sale.

You have owned your vehicle for eight months following expiry of the manufacturer's new vehicle warranty and driven 65,000km when the sunroof electric motor stops working.

After contacting the Administrator, the repairs to your vehicle are authorised at a cost of \$3,200. The local repairer undertakes these repairs and we pay your repairer \$3,200.

We will pay the following	Amount
Cost to repair your vehicle (we will pay this to your local repairer)	\$3,200

In Example 2 our payment is based on the following policy provisions – refer to the relevant section of this PDS for details:

- 1) When you are covered (see page 16)
- 2) What is covered (see page 17)
- 3) What we will pay (see page 18)

3. Cover option 5 (24 months to maximum 150,000km)

A claim for excess reimbursement.

You selected cover option 5, which you purchased at the point of vehicle sale. Your vehicle is also covered by a Toyota Insurance Comprehensive Motor Vehicle policy.

Just over three years have passed since you purchased your vehicle and you are now two months outside the manufacturer's new vehicle warranty end date. Your vehicle is involved in an accident which occurred on a date after your Toyota Insurance Extended Warranty Insurance policy commenced.

You make a claim under your Toyota Insurance Comprehensive Motor Vehicle policy. The accident is deemed to be your fault and a basic excess of \$550 applies to your claim. We arrange for the vehicle to be repaired and you pay your \$550 basic excess to the repairer when you collect your vehicle after it has been repaired.

You then contact the Administrator to lodge a claim under your Toyota Insurance Extended Warranty policy for reimbursement of the \$550 excess you have paid under your Toyota Insurance Comprehensive Motor Vehicle policy. Along with your completed claim form you provide a copy of the receipt from the repairer for payment of your excess.

We will pay the following	Amount
Basic excess paid to the repairer (as shown on your policy schedule – we will reimburse this amount to you)	\$550

In Example 3 our payment is based on the following policy provisions – refer to the relevant section of this PDS for details:
